As we prepare to enter the Apostles Fast this month, let us reflect a bit on the Holy Apostles of Christ and their important role in His Church. During this holy period in their honor, we should venerate them and pray to them more often, continually seeking their holy intercessions before the throne of the Most High, which they flank, seated on their own glorious thrones.

First of all, let us remember the very beginning of the Church on earth after the Lord’s Resurrection and Ascension. On the day of Pentecost – the 50th day from Holy Pascha – the Lord sent His Holy Spirit upon the Holy Apostles and the other followers of Christ who were gathered together in the upper room. And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and one sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance. (Acts 2:1-4).

This incredible and life-transforming act of God gave true birth to the Church. In the absence of Christ, the Holy Apostles took the reins of the Church, so to speak, knowing that God was truly with them once again through His Holy Spirit. The promise of Christ given just prior to His holy Ascension into heaven had been kept. They were filled with power from on high to continue the ministry of Christ. Basically, during the mystery of Pentecost the Apostles were ordained as the first bishops of the Church, in order to oversee the Church, to teach her doctrines, and to preside over the celebration of the Eucharist. These three basic elements still constitute the role of the bishop in the Orthodox Church.

The great task of the Spirit-filled Apostles was to spread the Christian faith, both locally and in faraway places of the known world. As they established churches in different lands, they ordained other bishops to oversee those churches. Through the hands of the Apostles and those of the other bishops they ordained, many men were ordained to the ranks of bishop, presbyter, and deacon, which has continued throughout the ages. As you’ve heard many times, today’s Orthodox clergy trace their ordination back to the Apostles themselves, through what is called apostolic succession.

Holy Tradition, which encompasses the entire life of the Church from her beginnings to the present, also originated with the Holy Apostles. As direct disciples of the Lord and witnesses of the Resurrection, they passed on the teachings of Christ and the Holy Tradition of the Church which they shaped and forged through the guidance of the Holy Spirit. “Therefore, brethren, stand fast and hold the traditions which you were taught, whether by word or our epistle.” (2 Thes. 2:15).

When other Christians criticize the practices of the Orthodox Church by stating that everything we do is based on the traditions of men, we must remind them that our Holy Tradition has its source in Christ Himself, and has continued to be guided by God through His Holy Spirit.

The key thing for us to remember regarding apostolic succession and the Holy Apostolic Tradition, is that these things constitute an unbroken chain within the Orthodox Church which begins with the Apostles. The seven ecumenical councils held by the Church during the first eight centuries of her life, specifically dealt with heretical perversions of the apostolic teachings of the Church, again, through the guidance of the Holy Spirit. The work of the ecumenical councils, as well as the many local councils held at various times and places, has ensured that the chain linking us to Christ and His Holy Apostles has remained unbroken. This my beloved, is what has kept the Church Orthodox. This is what has kept the True Faith pure and untainted – the same Faith that the Holy Apostles spread throughout the world and that we have inherited.

Let us use the following hymn found in the Orthros for Thursdays, as a special prayer during the coming fast of the Holy Apostles:

Passing through all the earth, you preached the holy Incarnation of Christ from the all-spotless Virgin, and you turned men from their error. In teaching all men to adore One God, the Holy Trinity, you shed divine enlightenment upon the nations, O blessed Apostles of Christ the Savior.

In Christ’s love, and through the prayers of the Holy Apostles,

+Fr. Anthony
Spiritual Wisdom

The following is a short Christian moral teaching by St. Tikhon of Zadonsk

Christians, remember what God is, and that He looks not only on your works, but also on your very thoughts and intentions, and that you are not able to hide anywhere or anything from Him.

Remember that He preserves your life, health, and strength, and that whatever good you have in life, He has bestowed it all on you. And so thank Him with all your heart, revere Him in all things, and call on Him for help in your every endeavor.

Remember, that the Heavenly Father sent our Lord and Savior Jesus Christ into the world. Believe in Him, and submit to His Divine teaching which is revealed to you in the Gospel, and portrayed here in brief, so that you may fulfill the vows that you made to God at Baptism, and inherit eternal life, and not be called a Christian in vain.

On Sundays and feast days come to church, and falling down with reverence before God, be mindful of all the mercies you may ever have received from Him. Thank Him for them with all your heart, and as a sign of your thankfulness, promise to live as He has commanded you. This is a sacrifice most pleasing to God.

Honor your spiritual pastors, your father and mother, and all the elders and virtuous people, and obey their useful counsels. Try to be virtuous not only in your person, but counsel your wife and children in every good and God-pleasing deed. Avoid not only doing what is bad before them, but even saying it, lest you accustom them to evil. Thus God’s blessings shall rest on your house.

Always remember that you were born into this world so that you may do good to all insofar as possible on every occasion.

Love not only those close to you and your benefactors, but even your enemies, so that you might thereby pacify them, correct them, and make them good people. And so do not fight with anyone, and do not curse; and though someone may have offended you, try to endure it as far as possible, and at the appropriate time do him good.

Do not steal anything from anyone, and take nothing, and be content with what you earn by your own labors. Be diligent and avoid idleness. For as diligence is pleasing to God, so idleness on the contrary, as a source of every evil, is a sin very offensive to God.

Never lie, but always tell the truth. For all falsehood and deceit is the most harmful of all vices, and the customary work only of the devil.

Do not become drunk, for God turns all the more away from a drunkard, since a drunkard is more quickly able to do every bad deed than a sober man.

When you observe all these things, then God Who is compassionate will be merciful to you not only in this life, but He shall glorify you in the next with the glory with which the Saints are glorified.

Fast of the Holy Apostles

Of the four major fast periods of the liturgical year, the fast of the Holy Apostles is the only one that can vary in length, specifically because it is dependent upon the date of Holy Pascha. For this reason the fast can vary anywhere from several weeks to a few days, or even be non-existent on years with a very late Pascha. This year the fast is three weeks in length, from 6/8 through 6/28. It behooves us to follow this holy fast period for our spiritual benefit.

This is not an overly strict fast. The guidelines are identical to the first part of the Nativity fast. For those who wish to follow this fast per the traditional guidelines, we offer the following:

- No animal products allowed throughout (meat, poultry, eggs and dairy)
- Fish, wine and olive oil allowed daily except for Wednesdays and Fridays
- Wednesday and Fridays – strict fasting (no wine or olive oil); shellfish allowed*

*Exception: wine and olive oil permitted on Wednesday, 6/24 for the Nativity of St. John the Forerunner

Following the Apostles Fast is a beautiful way to commemorate and reflect on the sacrifices of these holy followers of Christ, who gave us our Orthodox Faith as received from the Lord and the Holy Spirit.

In Appreciation

We would like to sincerely thank Dino Constantinou once again, for chairing our second Greek Music Concert which took place on May 2nd. This was a lovely event with wonderful hors d’oeuvres, fellowship, and most importantly, music and singing of a most professional caliber. We also need to thank the many donors of food products, beverages, and time and talent toward the set-up and all other aspects of this event.

In addition, we would like to thank James Mihos and George Alexis, co-chairs of this year’s Hungry Friends dinner, as well as everyone involved with this event. As everyone knows, this is one of the major fundraisers of the year.

Our gratitude is also offered to our Philoptochos women who, once again, did a great job with their mini-festival. We understand that they had more patrons this year than any past year. We truly appreciated their efforts, as some of the proceeds of their annual festival are earmarked for the needs of our parish.

May God bless all of you and keep you well.

2015 METROPOLIS OF BOSTON MINISTRY AWARD RECIPIENT

Congratulations to Heidi Mason as the Annunciation Greek Orthodox Church of Brockton’s 2015 Metropolis Award Recipient. Please join us in celebrating Heidi’s achievement on June 14th at Lombardos in Randolph, MA. Reception starts at 5:30. Please call the church office for ticket information.

Heidi has been involved with Choirs and with Church Music her entire life. Her mother, Katerina Papalambros, was a gifted soprano in the Sts. Constantine and Helen choir of Cambridge, MA and Heidi would join her in the choir loft from a very early age. Eventually, Heidi became the Choir Director and served in this capacity for many years.

When her family relocated to the Brockton area, Heidi was asked to direct the Annunciation choir and has held that position for over 30 years.

For the past 13 years she has been actively involved with the Metropolis of Boston Federation of Greek Orthodox Church Musicians and has served as its President for the past 10 years. Heidi is also a member of the National Forum of Greek Orthodox Church Musicians Coordinating Committee where she serves on the Forum’s Youth Choir Committee. Heidi has helped develop a youth choir curriculum which has been adopted by the National Forum and will be used in parishes across the country.

For the last 5 years Heidi participates in the Tuesday Choral Group at Hellenic Nursing and Rehab Ctr. On Holy Friday she has directed and led the group in chanting the Lamentations during the service at the home.

Heidi has served on the planning committee of the Annunciation’s Annual Greek Festival for the past several years. Heidi can often be found assisting in the Church office and with many of the Church groups and functions.
Dear Parishoners,

On behalf of Fr. Anthony and the parish council we want to wish you and your family a safe and healthy summer! Summer is a time for gatherings and vacations with family and friends, it is also a time to reflect, remain committed to our faith and heritage and to reach out to those who are in need.

In May we held some great events. The second Greek Music Concert was a lovely event with music and singing. Thank you to Dino Constantinou for chairing this event once again. The Hungry Friends Dinner was another sell out year with 200 tickets sold! This year we raised a record high amount! Special thanks to the parishioners who sold tickets and to Jim Mihos and George Alexis for co-chairing this great event.

Our Spring Food Festival run by the Ladies Philoptochos was a great success. We thank the women for all their hard work and planning to make this event successful. The Annunciation Dancers performed a series of beautiful dance renditions once again.

In the spirit of discussing our food festival events, don’t forget every third Tuesday of the month, we will be holding our September Food Festival meetings. Your participation and feedback is important to making our September Food Festival a huge success. Donations are needed and welcomed to help minimize our expenses.

In closing, we want to thank all the parishioners who attended our Spring General Assembly. It was a wonderful opportunity to showcase to the parish, all the hard work our committees and ministries have accomplished over the past year.

Thank you for your continued support and let’s not forget the needy and less fortunate.

God Bless

John Kolentsas

**THANK YOU! Σας ευχαριστούμε!** We want to express a deep heartfelt thank you to all of the volunteers who unselfishly gave their time and talents, the Parish Council, the Dance Group, the donors, the parishioners and everyone who attended our Spring Festival held on May 16th and 17th. It was heart-warming to see our Parish come together, and support what has now become our annual Spring Festival.

The Ladies of the Philoptochos worked many hours to prepare the food and pastries before and during the festival and for this I am very grateful. It takes many hands to put on such an enormous event and without everyone’s help we could not do it alone. We need all of you, not only at this festival but also at our Annual Festival in the fall which is a major fundraiser for our beloved Church. We are truly blessed to have the support structure that we have and the financial assistance from our families and their friends. We thank everyone for their tremendous efforts in running this wonderful event.

In closing, we want to wish everyone a happy and safe summer and I look forward to seeing all of you in the fall.

Καλο καλοκαίρι!
